## 2012 TBG Six-Week Summer Acting Program Application

**Deadline is May 1, 2012**

Please submit an electronic version of your headshot and resume along with your completed application form and return via email to [school@barrowgroup.org](mailto:school@barrowgroup.org).

### **About the program:**

This 6-week intensive summer program, led by Seth Barrish and Lee Brock, begins with script analysis and an introduction to Barrow group tools– the conversation exercise, real-life model, activities, context. The program progresses to classes in scene study and monologue work, and culminates in an on-camera acting technique class. In addition Paul Michael, Executive Director of The Network, will teach a self marketing business workshop for actors. Students will learn how to breakdown a script, better market themselves, find the truth and spontaneity in acting. This program is also an excellent, affordable way for those interested (college students, etc.) in pursuing a career in acting in New York City to be a part of a vibrant Off-Broadway theatre company and community.

Mondays – Thursdays, 11–2:00pm
