

Course Outline

The Barrow Group School

Course: Film/TV Acting Class I: The Tools

Course Description:

During the duration of this class you will be working on your on-camera performance, learning tricks for auditioning and cold readings along with continuing your study of The Barrow Group technique.

The main focus will be on bringing the physical life of each scene to the camera.

SCHEDULE:

Week 1

- Introduction
- Begin working in front of the camera

Week 2

- Begin working with scenes and tools

Week 3

- Continue work on scenes

Week 4

- Practice continuity and tools within scenes

Weeks 5 & 6

- Work on Audition technique/Cold Readings

**this schedule is subject to variation*
