Featuring:

Ashley Tune is a Michigan-raised, now Brooklyn-based actor. She has been training with the Barrow Group since 2018. When she's not acting, you can find her being a freelance personal assistant, practicing/teaching yoga, or gallivanting around the city with her partner, Arri.

Connor Wahrman is a New York-based and Milwaukee-raised acting student at The Barrow Group. Prior stage experience includes undergraduate productions of *The Zoo Story* (Peter), *The Contractual Death of Jonathan G Faustus* (Faustus), and *As You Like It* (Jaques). When not performing, he enjoys Dungeons & Dragons, art museums, and playing the Broadway lotteries.

Jacky Ye is a LA born and NYC based actor. He started training at The Barrow Group in 2022 on a whim and has been rehearsing lines on the subway ever since. He doesn't have a dog but is really thinking about one.

Jennifer Ault has been a lover and student of theatre since she was 12 years old. The love first started when obsessively reading Shakespeare sprawled across her bedroom floor. Jennifer has a Diploma in Acting, a BFA in Directing, and an MA in Theatre. After a decade-long hiatus, Jennifer is returning to the storytelling. When she isn't pursuing theatre, Jennifer teaches ESL, loves to cook, and studies genealogy. Jennifer is a proud breast cancer survivor.

Matt Stein is a New York based Actor who was born and raised in Toronto, Canada and started training with The Barrow Group in Spring of 2023. When not taking classes at The Barrow Group, Matt works as a film editor and spends his time catching movies at the cities numerous art house theaters, seeing plays and hanging out with his cat Marty.

Marie-France Perrel, a New York-based actor with roots in France and Japan, finds tremendous joy in the art of acting. Since 2022, she has immersed herself in training with The Barrow Group, where she continues to explore her craft. When not onstage or attending classes, she thrives in business hospitality, finds solace in running, savors discussions about food, and travels the world with loved ones. Grateful for the unwavering support of Farrah, James, Luanne, and her close friends, Marie-France remains steadfast in her pursuit of her acting dreams.

Charles McEvoy has attended the Barrow Group since 2022, and is in his fifth term of study. As a second career emergent artist, Charles also sings and tap dances. He is a long term Manhattan resident, and currently lives with his two beloved chihuahuas.

Charlotte Grindstaff is a new york actress. She has two cats who love her very much.

Valeriia Pustova is a Ukrainian actress who is currently wandering around the streets of New York. She is easily getting excited about everything disturbing or promising new angle of perceiving things around. Doing her best to explore opportunities life is giving us. As you are reading this she is probably rewatching “Bob’s burgers” for a tenth time (or hundredth time- who counts?)

Matthew Obszarny is a New Jersey-raised actor and singer. He has been studying at The Barrow Group since 2023. He holds a BM in Music Education/Vocal Performance from Moravian College in 2017. Past performances include *Evita* (Ens.), *Fiddler on the Roof* (Ens.), and *Jesus Christ Superstar* (Annas). His goals include going back to graduate school to advance in vocal performance while simultaneously studying acting at The Barrow Group. Matthew wants to thank all the mentors and friends he’s made here and looks forward to growing and learning as an actor.
